

## Techfynder Launches India's Headquarters in Hyderabad

Techfynder helps employers to directly connect with Jobseekers to carry out every aspect of the recruiting process via a single portal

**Hyderabad, Telangana May 28, 2022 ([IssueWire.com](https://www.issuewire.com))** - Techfynder, a subscription-based platform that helps businesses recruit the right talent and post jobs, has launched recently in Hyderabad and plans to invest across India including Hyderabad, Bengaluru, Chennai, Delhi, and Mumbai over the next three years.

Smart recruiting is easier with Techfynder, the AI-based technology platform that allows companies to contact candidates in an exceptional way resulting in a positive impact on their talent acquisition processes. The HR Tech service launched this year, now has a talent base in more than 150 countries worldwide.

Techfynder's major focus is now India. We have thousands of job seekers joining our platform every day and with 1000s of jobs across top industries like IT, Pharma, Banking, Retail, Healthcare, Marketing, and many more.

“We hope to better connect our users with prospective employment opportunities which are tangible and flawless, at the same point of time, sustain the brand sentiment. We see great opportunities all over India. Hyderabad will be India’s headquarters and in the future for Asia, “said Paul Guy, Global Marketing Director.
