

The University of Kansas Alumni Association recognizes Hutchinson, KS Sheltie for his Collegiate Spirit –

Designated Jayhawk Pet of the Month

Hutchinson, Kansas May 11, 2022 (IssueWire.com) - A 4-1/2-month-old Shetland Sheepdog puppy, was adopted in February by Michael & Tonya Hinton of Hutchinson, KS, from [Sheltie Shack Rescue](#), Shell Knob, MO; has been recognized by [The KU Alumni Association](#) as their [May Jayhawk Pet of the Month](#). Headquartered in Lawrence, KS, The University of Kansas Alumni Association is a trusted, innovative organization that serves alumni, students, fans, and more than **375,000 Jayhawks worldwide**.

Winston was awarded a prize package provided by [Collegiate Canines](#).

“Winston has blessed our life greatly from the moment we brought him home,” stated Tonya Hinton. “Life with Winston has been 'Non-stop Fun & Shenanigans!' He is the most loving companion! There is no doubt he is, and will always be, a **Pawsome Representative for the KU Jayhawk Nation.**”

Winston became a ‘Social Media Icon’ during the March Madness NCAA Men's Basketball Tournament – With recurring posts throughout the series of his watching and barking the Jayhawks onto their [National Championship](#) Win!

Winton’s owners, Michael & Tonya Hinton are Kansas natives. Michael was born in Newton, KS, and attended [The University of Kansas](#). Tonya was born in Peabody, KS. They have been married for 33-years and have a 29-year-old daughter who participated in Coach Roy Williams’ [Junior Jayhawk Basketball Program](#), the Official Kids Club for Kansas Athletics, as a child. Michael and Tonya have a **lifelong love of KU** and enjoy attending both Kansas Football & Men's Basketball games. **Rock Chalk!**
