

# **AMFIL Aviation Consulting Promotes Padma Raghunathan To Senior Vice President Of Business Development**

**Apopka, Florida Jun 5, 2022** ([IssueWire.com](http://IssueWire.com)) - [AMFIL AVIATION CONSULTING, LLC](#) announced today that [Padma Raghunathan](#) has been promoted to Senior Vice President of Business Development effective June 6, 2022.

AMFIL Aviation Consulting is pleased to announce the promotion of Padma Raghunathan to Senior Vice President of Business Development. In this role, Padma is responsible for the strategic leadership of global business development for consulting and distribution services, growth strategies, customer relations, marketing, and corporate communications. Padma reports directly to the President/Chief Executive Officer, David Clark.

“Padma is an extremely knowledgeable aerospace and defense professional with an innovative and strategic mindset that consistently helps us reach our global goals.”, said David Clark. “She is invaluable to the AMFIL family, and we look forward to her insights and perspectives that will continue to drive our company’s success.”.

Padma’s decade-plus years of aerospace and defense experience have included senior and leadership roles in sales, business development, account management, customer relations, and operations. She has an extremely well-rounded and insightful perspective of customer requirements, opportunity development, and growth strategies. Additionally, Padma is an Electrical Engineer and holds a Masters's degree in Electrical Engineering from Binghamton University, State University of New York.

#### About AMFIL Aviation Consulting, LLC

AMFIL Aviation is a boutique consulting company offering clients and customers strategic know-how on the various business aspects of the aerospace and defense industry. We advise on business expansions, diversification of sales channels, planning, procurement, and logistics processes and solutions, contract/program management, and many more. AMFIL’s focus is on understanding clients’ real challenges, and advise on a peer-to-peer level and customizing solutions with an analytical approach that drives and sustains long-term growth while simultaneously aligning with the client company’s objectives. AMFIL specializes in creating direct B-2-B relationships between clients and end-users. For more information, please visit [www.amfilaviation.com](http://www.amfilaviation.com).
