

Andrea Cordova-Ogg, MD, a Pain Management Specialist with Florida Pain Medicine

Get to know Pain Management Specialist Dr. Andrea Cordova-Ogg, who serves patients throughout the State of Florida.

New York City, New York Jun 9, 2022 ([Issuewire.com](https://www.issuewire.com)) - A knowledgeable pain management specialist, Dr. Cordova-Ogg is affiliated with Florida Pain Medicine, seeing patients in the Tampa Bay and Daytona Beach areas. She is truly patient-centered and seeks to improve the quality of life as well as restore and maximize function by using a multimodal approach for every patient.

The doctor is highly skilled in the treatment of a variety of pain conditions using several distinct interventional procedures including ultrasound and fluoroscopy-guided injections, radiofrequency neurotomy, neuromodulation, regenerative medicine, kyphoplasty/vertebroplasty, and other state-of-the-art techniques.

With locations in Wesley Chapel, Zephyrhills, Brandon, Riverview, Tampa, Port Orange, and Ormond

Beach, Florida Pain Medicine combines cutting-edge technology with a holistic approach to patient health, helping those suffering from pain return to the activities they love. They provide the latest in technological advances to relieve pain associated with bone, muscle, nerve damage, and any other painful illnesses including cancer-related pain - improving patients' quality of life.

A 2001 graduate of Universidad Iberoamericana in the Dominican Republic, Dr. Cordova-Ogg went on to further her training in the United States, completing her residency in physical medicine and rehabilitation at the Montefiore Medical Center/Albert Einstein College of Medicine in New York City. This was followed by extensive subspecialty training in interventional spine and sports medicine at the Orthopedic and Spine Specialists in Pennsylvania.

Passionate about her profession, she is board-certified in physical medicine and rehabilitation by the American Board of Physical Medicine and Rehabilitation (ABPMR). The mission of the ABPMR is to serve the public by improving the quality of patient care in physical medicine and rehabilitation (PM&R).

On a professional level, Dr. Cordova-Ogg regularly participates in conferences and is an active member of several professional societies, including the American Society of Physical Medicine and Rehabilitation, the Spine Intervention Society, the American Society of Interventional Pain Physicians, the American Society of Regional Anesthesia and Pain Medicine, the North American Neuromodulation Society, and the North American Spine Society.

Pain management is a branch of medicine employing an interdisciplinary approach for easing suffering and improving the quality of life of those living with chronic pain. A pain management specialist is a doctor who specializes in pain medicine, focusing on the evaluation, treatment, and prevention of pain.

In her leisure time, Dr. Cordova-Ogg enjoys spending time with her family, traveling, and scuba diving. She is fluent in both English and Spanish.
