**New York City, New York Jun 9, 2022 ([IssueWire.com](http://IssueWire.com))** - Authors Christina & Edward Sledge will be signing copies of their new book, "Andre's Confessions" and their memoir "The Story of Christina and I" at Brooklyn Tea on Saturday, June 11, 2022, from 1:30 PM to 3:00 PM. The husband and wife duo are also owners of Sledge House Media a multi-platform media company created to share diverse and compelling stories. The couple has been married for twenty-two years and is writing, publishing, and

production team. Whether it's a book or a short film, their projects highlight relationships, unique perspectives, and experiences.

It is fitting that the Sledges are debuting their book at the husband and wife owned establishment, Brooklyn Tea as they originally met in Brooklyn back when they were kids.
