

## Hussein Dhayni, DDS, a Dentist with Balboa Dentistry

Get to know Dentist Dr. Hussein Dhayni, who serves patients in San Diego, California.

**New York City, New York Jun 3, 2022 ([IssueWire.com](https://www.IssueWire.com))** - A leading, board-certified dentist, Dr. Dhayni offers a full scope of cosmetic and general dentistry services with superior skill, state-of-the-art technology, and a welcoming manner. Treating patients of all ages at Balboa Dentistry in San Diego, California, he has extensive experience in providing: dental crowns, Invisalign®, braces, dental implants, root canals, and teeth whitening services. His office is equipped with the most advanced technology, including safe digital X-rays with low radiation, laser treatments, and intra-oral cameras. The practice also employs the highest standards of sterilization.

“Our dental practice is committed to providing superior oral health services to our patients. We foster patient relationships based on mutual trust, excellent customer service, and the best-personalized patient care available. Our team is devoted to restoring, enhancing, and maintaining your teeth using conservative, state-of-the-art dental procedures” expressed the doctor.

In regards to his educational background, he earned his Doctor of Dental Surgery degree from the New York University College of Dentistry and continues his education with advanced seminars and courses on such techniques as implantology and progressive braces. He is an active member of various professional organizations and societies, including the American Dental Association, the California Dental Association, and the San Diego Dental Society.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.
