

James Fang, DDS, MPH, an Oral and Maxillofacial Surgeon with Oral and Maxillofacial Surgery

Get to know Oral and Maxillofacial Surgeon Dr. James Fang, who serves patients throughout the States of New York and New Jersey.

New York City, New York Jun 17, 2022 ([IssueWire.com](https://www.IssueWire.com)) - An exceptional oral and maxillofacial surgeon, Dr. Fang is affiliated with Oral and Maxillofacial Surgery of NYC & Morristown Oral Surgery and Implantology Associates, serving patients in New York City, New York, and Morristown, New Jersey.

The surgeons at Oral and Maxillofacial Surgery of NYC practice a full scope of oral and maxillofacial surgery with expertise ranging from corrective jaw surgery to wisdom tooth removal. They can also diagnose and treat facial pain, facial injuries, and TMJ disorders, and perform a full range of dental implant and bone grafting procedures. Its mission is to help patients live healthier lives. They provide a caring, nurturing environment where patients' comfort and health are of primary importance.

Morristown Oral Surgery and Implantology Associates provide high-quality patient care using advanced techniques. They create an environment where their patients feel welcome and important. They take pride in their spotlessly maintained clean, orderly, and comfortable facility where they create a positive environment of teamwork totally visible to their patients.

Born in Taiwan, Dr. Fang immigrated to the United States at age 14 and was raised in Queens, New York. He graduated from New York University and received a Bachelor of Arts in Biochemistry, and attended the Columbia University College of Dental Medicine and Mailman School of Public Health where he received his Doctor of Dental Surgery and Master of Public Health degrees.

Subsequently, he went on to complete an internship in oral and maxillofacial surgery at the University of Medicine & Dentistry of New Jersey. and a residency in oral and maxillofacial surgery at the Brooklyn Hospital Center. During his last year as Chief Resident, he showed great leadership when he was voted by the other residents to be their representative on the Medical Board.

With more than 15 years of experience and being a diplomate of the American Board of Oral & Maxillofacial Surgery, Dr. Fang is proven to be highly qualified and dedicated to providing the gold standard in patient care. He also has extensive training in a wide variety of cosmetic procedures such as botox and dermal filler injections and as well as PDO thread lifts.

Continuously advancing his efforts, he is an active member of the American Association of Oral and Maxillofacial Surgeons, the American College of Oral and Maxillofacial Surgeons, and the American Dental Society of Anesthesiology, the American Dental Association, and the New Jersey Dental Association.

In addition to his experience and high proficiency in implant dentistry, dentoalveolar surgery, presprosthodontic surgery, and oral pathology, Dr. Fang has published numerous prestigious academic papers. His paper "Nutritional Aspects of Care" earned a position in Oral and Maxillofacial Surgery Clinics of North America. He maintains admitting privileges at Beth Israel-Mt. Sinai Medical Center, Brooklyn Hospital Center, and Morristown Medical Center.

Oral and maxillofacial surgery specializes in surgery of the face, mouth, and jaws. It is an internationally recognized surgical specialty. Oral and maxillofacial surgeons are dental specialists who treat conditions, defects, injuries, and esthetic aspects of the mouth, teeth, jaws, and face. Their training involves a four-year graduate degree in dentistry and the completion of a minimum four-year hospital surgical residency program.
