

Manish Yadav Is The Name of the Struggle

YouTuber and Blogger

Chandauli, Uttar Pradesh Jun 26, 2022 (<u>Issuewire.com</u>) - **About the Manish Yadav**: Manish Yadav is an Indian Youtuber and Blogger. Manish Yadav was born on (26 January 2003) (20 years old) In **Chandauli, Uttar Pradesh.**

He started using the internet 15 years and he started He created a YouTube channel at the age of 16,17 and used to make and post such videos, gradually his channel became subscribers in thousands, in today's time there are about 7 thousand subscribers on his YouTube channel.

And together he started blogging on the online website and started posting his own writing from the very beginning Manish's mind has been focused on technical education and the online world, which every child should do in today's time, Manish also studies and his art is also very good, he makes great pictures and also posts videos of good places on his YouTube channel, his youtube channel is by his own name Manish Yadav.

Manish thinks that if the Internet world is used properly, then every person will get a name, identity, and money. In today's world of the internet, many platforms have been created to enhance their inner image, in today's world people are earning a lot of money by working hard on <u>YouTube</u>

Manish also has a lot of inclination towards studies because without reading you will not be able to understand anything and till you do not read, you will not be able to understand the world of the internet and will not be able to use it properly, you will use it only for entertainment because An educated person will make it his source of income.

Manish Yadav says, Believe in yourself then anything in the world can be achieved.
