Phelps Hospital has a long history of improving the health of Westchester, Rockland, and Putnam County residents with exceptional clinical programs, education, and partnerships—but they are much more than a community hospital. With state-of-the-art inpatient and outpatient services, they are recognized for excellence in cancer care, stroke care, cardiovascular diagnostics, cardiac rehabilitation, gastroenterology, hyperbaric medicine, and much more.

Throughout her academic career, Dr. Vismer received her undergraduate and graduate education at the University of Pittsburgh and earned her medical degree at the West Virginia University School of Medicine in 2013. She completed her residency in general surgery at Lenox Hill Hospital in 2019, serving as Chief Resident in her final year.

Vascular surgery is a surgical subspecialty in which diseases of the vascular system, including the arteries, veins, and lymphatic circulation, are managed by medical therapy, minimally-invasive catheter procedures, and surgical reconstruction. A vascular surgeon diagnoses treat and manages conditions in the arteries and veins, also called the blood vessels. These specialists treat a range of health problems, from spider and varicose veins to life-threatening aneurysms, and can help patients manage chronic conditions throughout their lives.

Speaking multiple languages, Dr. Vismer is fluent in English, Russian, Ukrainian, and Polish.
