New York City, New York Jun 29, 2022 ([Issuewire.com](https://www.issuewire.com)) - An established family physician, Dr. Bady began his career over 20 years ago in family/emergency medicine, working in fast-paced emergency departments in both Nevada and Kansas. He has served the people of Las Vegas as a physician for over two decades. Throughout this time, he has been met with much acclaim and is now the head of Emergency Medical Services in Nye County, Nevada. He brings his wealth of experience to CELLAXYS as Medical Director.

CELLAXYS brings together a dynamic team of board-certified physicians with experience in orthopedics, orthobiologics, spine & interventional medicine, family medicine, emergency medicine, primary care, and geriatrics.

Pertaining to his educational pursuits, Dr. Bady received his Doctor of Osteopathic Medicine degree from the Western University of Health Sciences College of Osteopathic Medicine of the Pacific in 1993, and completed his residency in family medicine at the Long Beach Memorial Medical Center in 1996. He has also attended USC Marshall School of Business for leadership, expanded his knowledge in plant-based medicine, and has studied Ayurvedic Medicine at Vaidyagrama Hospital in Coimbatore, India.

An expert in his field, the doctor is board-certified in family medicine by the American Osteopathic Board of Family Physicians, which is an organization that provides board certification to qualified osteopathic physicians who specialize in delivering comprehensive primary care for patients of all ages, genders, and addressing all parts of the body.

Throughout his career, his experience in emergency medicine has provided him with diverse skill sets and the ability to treat varied populations in urgent situations. He became the CEO/Medical Director/Consultant of multiple health care companies in California, Nevada, Kansas, Germany, the UK, and Haiti before joining the CELLAXYS team in Las Vegas.

Integral in creating health systems and managing complex medical practices, Dr. Bady has served as medical director for some of the world's largest healthcare systems and as an Executive Board Member of DaVita/HealthCarePartners. He is also one of the founders and the Chief Medical Officer of Grey Dove Inc., a non-profit organization. His knowledge of disease processes has greatly informed his ability to use the most advanced technologies to treat illness and injury. He is dedicated to disease prevention and assisting his patients in maintaining optimal wellness.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

As a testament to his success, Dr. Bady has been the recipient of the Patients' Choice Award (2015, 2013, 2012).
