

## Recently Launched Japanese language Course by Henry Harvin

**Noida, Uttar Pradesh Jun 2, 2022 ([Issuewire.com](https://www.issuewire.com))** - The Japanese Language, as we all know, is a fascinating and magnetic language on many levels. When you search for a foreign language course, the Japanese language is one of those topping the list. Why so? Like, it is a fun language to learn, it opens up a big treasure box of career opportunities, a study in Japan, traveling, love for the language and culture, and many more. When you search for a good Japanese language course, you may find many

courses, even free ones. But a promising course from a desirable institute is what projects you in the crowd. Here, I am putting forward one such institute, the Henry Harvin which offers online [Japanese language courses](#) launched quite recently.

## About Henry Harvin

Ours is a brand name in the Global EdTech industry with customers from more than 97 countries through our career and competency development courses. Here, at Henry Harvin, we accentuate the needs of each learner through our Goal-centric pedagogy. We offer courses in multifarious streams like Writing, language, Management, Finance, SAP, Cybersecurity, and many more. The candid reviews and testimonials, and numerous accolades, on our website, convey the fact that our learners get top-notch exposure in the domain during the course.

## About the Japanese Language course

The Japanese language course at Henry Harvin is one of its kind and

Aids in preparing for the JLPT( Japanese Language Proficiency Test) along with the four writing systems i.e, Kanji, Romaji, Katakana, and Hiragana.

### Key features:

- **9-in-1 program**

The courses at Henry Harvin have 9 perks coalesced into a single course. These 9 features are

- Training
- Certification
- Internship
- Projects
- 1 year Gold membership
- Bootcamps
- Hackathons
- Placement
- E-learning

These features ensure the holistic growth of each learner. Each course has a training duration depending on the nature of the course and after the completion of the course, the Certificate is issued. Followed by a guaranteed Internship program wherein each learner gets to work with us or our partner firms. The projects ensure that our learners acquire experience in handling real-time projects in the domain. The most alluring feature we have is the 1 year Gold membership at Henry Harvin Language Academy, during which period, the learner gets free access to the Bootcamps, hackathons, and Videos related to the course. Also, the E-learning facility promotes the learning process whenever and wherever the learner wishes to do as it carries details of the course plus the recorded videos of the sessions.

- **Curriculum**

The Curriculum for the Japanese language course is vast and extensive that follows the JF standards. This Japanese language course is divided into 5 parts namely

- Elementary or N5
- Pre-intermediate N4
- Intermediate N3
- Pre-Advanced N2 and Advanced N1.

Each of these levels has two modules on Vocabulary, Grammar, Translation, and reference words and information.

#### • **Course duration and training**

The course duration for each level of the Japanese Language course is 80 hours of training. These courses are rendered online by our team of highly qualified and experienced trainers who cater to the needs and pace of each learner. The interactive sessions and the assignments aid in learning the language effortlessly. Above all, the technology used in the course and the tools and techniques incorporated in the course is consistent with the newest and evolving trends.

#### • **Takeaways**

The major takeaways of our Japanese language course are the skills developed during the course. These skills like Speaking, writing, listening, and reading are passed on to the learners through a systematic and strategic process. In addition to this, our native Japanese trainers also assist in giving practical training to each learner.

Placement support offered by our team of experts helps those learners who like to pursue a career in the Japanese language like an Interpreter, translator, Proofreader, travel, tourism, instructor, etc.

#### **Conclusion**

Henry Harvin is a premier institute for career and competency development. We, at Henry Harvin never turn a stone unturned when it comes to providing a conducive and fruitful learning experience. Our recently Launched Japanese Language course also aims to give the learner all the support to ensure a strong foothold in the language. Our veterans from the domain created this course to upskill each learner to reach the pinnacle in the domain.
