

Abi Angelos Releases New Single on depression

The Woh Ajnabee Artist released his latest single Take My Pain Away on depressed

Mumbai, Maharashtra Jul 11, 2022 (IssueWire.com) - The "woh ajnabee" singer **Abi Angelos** releases a new single "**Take My Pain Away**" while dealing with anxieties, and depression. He's being seen with a burning guitar, and alcohol bottles thrown around in his official music video of taking my pain away which gives the message of being in depression with his musical/personal life.
