

## **Aditya Bag have chosen his main career. Is it football or content creation?**

Know about Aditya Bag or AdityaBag14

**kolkata, West bengal Jul 8, 2022 ([Issuewire.com](https://www.Issuewire.com))** - **Aditya Bag** is an Indian footballer and content creator. He was born on (14th Oct 2005) in Kolkata, West Bengal. Aditya became famous in India with the **AD14 FC** football team after playing several games in the Youth League. He is also a content creator for YouTube and Instagram. It was made in India. And in 2018, he signed a contract with his team. Aditya played 61 games and scored 29 goals and won many trophies for his team. And in content creation, he has also succeeded huge following and he is also the founder of **ThePredatorz** content creating brand. *So the main question arises will he make content creating or football as his career! He has made it clear by himself that creating content is to give fun and show the world of football. But football is his main focus and he wants to make it his career.*
