

Chinyelu Oraedu, MD, an Internist with Stamford Health

Get to know Internist Dr. Chinyelu Oraedu, who serves patients in Stamford, Connecticut.

New York City, New York Oct 7, 2022 ([IssueWire.com](https://www.issuewire.com)) - Dr. Oraedu is an established internist currently affiliated with Stamford Health in Connecticut.

Stamford Health believes that every patient deserves compassionate, personalized care and access to the most sophisticated clinical expertise available. This commitment is reflected in everything they do, from the clinicians on their team to the way they treat patients, from the way they communicate and collaborate to the thoughtful design of their spaces.

Throughout her academic career, Dr. Oraedu received her medical degree and completed her internship at the University of Nigeria, before relocating to the United States, where she completed her residency in internal medicine at the Long Island College Hospital.

Following her training, the doctor attained board certification in internal medicine through the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.
