

## Emami Business Bay is Uniquely Designed for Productivity, Mental Wellbeing

**kolkata, West bengal Jul 5, 2022 ([IssueWire.com](https://www.issuewire.com))** - Emami Business Bay is a unique mixed-use complex of commercial space for offices and retail establishments. Development of the Emami Group, Emami Bay Business provides space for any small business owner to establish a headquarters or expand their enterprise.

It's an ideal location for entrepreneurs, startups, and established businesses, providing all the essential services required to conduct business in the modern world. The Business Bay project provides 15 floors of space and is built on one acre of land. The project is highlighted by five levels of parking and two basements, along with three podiums from which to address employees, shareholders, and investors.

The [commercial office space Kolkata](#) is built to G+UGF (urban greening factor) standards. Multiple studies have shown that individuals are more productive when they're able to take breaks from their office space in a natural environment. The structure provides ample space and opportunities in which to accomplish that. It features an open-air gym and jogging track, and individuals can visit the café for a beverage, relax and be close to nature.

Designed by international award-winning Sanjay Puri Architects, all offices are Vastu compliant. The development is complemented by [commercial shops for sale in Kolkata](#) that serve the needs of those working in the offices at Emami Business Bay and the surrounding area. The project has fully connected Wi-Fi service and 100 percent power backup to ensure no loss of productivity. The interior is decorated with quiet sophistication.
