

Introducing Bryan R. Barton Author of The Darkleich Series

Author Bryan R. Barton created The Darkleich Series as an escape from his brutal beginnings. " I retreated into writing, because of the abuse and things that I went through, at home and in foster care."

Alexandria, Virginia Jul 9, 2022 ([Issuewire.com](https://www.issuewire.com)) - "The writing was one of the things I always held on to," says Author Bryan R. Barton. This author has taken his rocky beginnings and made something out of it all, his book series. His physical abuse from his father would drive him to write and this is where it all began. "The abuse started with their drinking, I would get beaten. I would resort back to writing

which was the only way I could deal with reality by making my own."

Inspired by his own struggles he wanted the story of Darkleich to show younger readers and adults that they can overcome great hardships and make an important contribution to the world around them. That is how Bryan's world began and is now a series entitled "[The Darkleich Series](#)".

Author Bryan R. Barton invites you to his world where he has found healing, forgiveness, and a will to help others overcome their everyday hardships. The Darkleich Series is a great way to work through the pain using the book as a way to see the hero within. The Darkleich series fights for freedom while displaying courage and standing for what is right.

" So I didn't realize what a toll that was taken on me on my mind." This series is a must-read for anyone who needs encouragement to overcome. Thank you to Author Bryan R. Barton for publishing The Darkleich Series and becoming everyone's hero.
