

Jessica Mould, DNP, FNP-BC, a Family Nurse Practitioner with The Mount Sinai Hospital

Get to know Family Nurse Practitioner Dr. Jessica Mould, who serves patients in New York, New York.

New York City, New York Jul 20, 2022 ([IssueWire.com](https://www.issuewire.com)) - Dr. Mould is a board-certified family nurse practitioner currently serving her patients at Mount Sinai Hospital located in New York. In order to provide her patients with the best care, she specializes in breast oncology and general oncology.

To begin her career, she earned her Bachelor of Science in Nursing degree in 2011 from New York University. From there, she attended Fairfield University and earned her Master of Science in Nursing degree in Family Nursing and Doctor of Nursing Practice degree in 2022.

Furthermore, Dr. Mould is a professional member of the Oncology Nursing Society, the American Association of Nurse Practitioners, and The Sigma Theta Tau International Honor Society of Nursing to remain up to date in her field.

On a more personal note, she attributes her success to the support from her husband, family, friends, and colleagues.

A Board-Certified Family Nurse Practitioner (FNP-BC) holds board certification and provides continuing and comprehensive healthcare for the individuals and families across all ages, genders, diseases, and body systems. FNPs maintain patient records, perform physical exams, order or perform diagnostic tests, prescribe medications, develop treatment plans, as well as treat acute and chronic illnesses, conditions, and injuries that fall under primary care.
