**NEW Single “On Yo Best Friend”-Fun Song of the Summer**

**Chicago, Illinois Jul 26, 2022 ([IssueWire.com](http://IssueWire.com))** - A new single by The R&B Bully, John Blu is being deemed as one of the new twerking anthems of the season. This song gives women exactly what they want... a turn-up song that perfectly describes what happens when their fav song(s) comes on and instantly starts dancing (twerking). It's bold, fun, catchy, and straightforward in its purpose, to make you twerk (even if you don't know how) and throw it back on yo best friend. And, let's definitely not forget the men who enjoy watching. **"On Yo Best Friend"** single and video was released on all platforms on Friday, 7/22/22.

John Blu is a 6x Billboard Charting Independent Artist/Producer/Writer, Engineer & CEO of Singlemakerz that has been making a solid name for himself since the early 2000s.
