

Lowend or no End King of Milwaukee

From MSDF 2 IMDB ... Titanic GROWTH! ?

Milwaukee, Wisconsin Jul 30, 2022 (Issuewire.com) - Chicago-born Rapper, Ascending to Milwaukee WI. **Lowend Mo** has been no stranger to the adversity of hard times. Coming out of Cook County means literally starting life in the melting pot! Jail and time in by the age of 13 the streets were calling and Lowend wasn't scared to answer a call! By age 25 Prison has checked off his "Street dude" checklist, only to be marred by Felonies to boot. Something had to give if Mo was going to do anything more than becoming a Prison- yard staple. One

day scrolling on Facebook Mo came across an acting casting that caught his attention, after attending and nailing the role the rest is history! 6 movies later here we are, IMDB, Amazon Prime tv, Tubi tv, one must say Lowend Mo is a tale for the ages!
