Sorav Arora is a young Entrepreneur, Business Coach and Musical artist from India and He is the CEO/Co-Founder of TOTAL TECH (Digital Marketing Company)

Patiala, Punjab Jul 16, 2022 (IssueWire.com) - Sorav Arora is a famous Indian singer and recently launched his new album song "Beatbush". He is a musician, YouTuber, and popular entrepreneur. He was born on 13 Feb 2000 in Patiala, district of Punjab. His singing is well-liked by the public and his words easily find a way into people's hearts.

From childhood, He was inclined to dream and think big. His family told us that he was always experimenting with new things. Things that were well beyond his age. Having found an undying love for technology, he ventured to open a digital marketing company at the mere age of 20. Soon it came to be known as Total Tech where he is CEO/Founder. His Co-Partner and Co-Founder Alisha Dhawan was a constant support and help to his successful journey. These two were inseparable from the very start of the journey and the success is the mutual product of their teamwork. Now she's serving as the President at Total Tech.

Total Tech has collaborated with many brands in different fields including beauty, fashion, and jewelry, and helped them establish a permanent name in their respective industries. Apart from this Total Tech has also worked with foreign brands. Out of which, Sorav has personally handled 50+ Million audiences with efficiency and ease.

The love he has found in his work and received from his clients has been a constant source of inspiration. Sorav Arora puts a great emphasis on smart work and consistency. "Neither should we stop working when things get tough nor should we stop to rest on our good days. We must always move ahead without looking back so that one day we look back and realise that we've moved far beyond what we could have imagined." Told Sorav.

It is very hard to earn a glorious name in this profession. But we've seen the two Co-Partners, Sorav and Alisha have left no stone unturned. Sorav is 22 years now. And he has high aspirations for the future. Having insights into his understanding of the world. We can say he won't stop until he reaches his utmost potential.
