

## A 3-Bedroom Apartment In Lagos Is Up For Sale!!

**Lagos, Algarve Aug 29, 2022 ([Issuewire.com](http://Issuewire.com))** - A brand new 3-bedroom apartment is up for sale in Lagos. It is set in a private complex that will give residents access to the communal swimming pools. This **Lagos property for sale** includes a total of two communal swimming pools that are situated both indoors and outdoors and come with a Jacuzzi, a gym, and a private parking space for the inhabitant.

The most exciting feature of this bedroom apartment is its prime location. It is ideally positioned, from where the resident will be able to have a beautiful view of Lagos Marina, making it the most desirable place to live or just enjoy a vacation. There is a walking distance of local shops and the area also has surrounding markets. The location is considered to be one of the most desirable and prestigious locations in the whole Algarve and the area will have access to local beaches and various luxurious hotels and restaurants that can be measured within the walking distance. This near beach view makes the apartment even more prudent and worthwhile. The purchase price is fixed at €695,000.

This property is listed on the website of Ideal Homes Portugal, which lists **Ideal homes in Portugal, Lagos**. The 3-bedroom apartment is not ideal just because of its placement and ideal location but gives other luxurious benefits as well. The apartment besides having 3 bedrooms has 3 bathrooms as well and has a built size of 187 m<sup>2</sup>. It offers an entrance hallway with a bright and open plan for the living or dining room and a fully fitted and furnished kitchen. The living room also has direct access to a sizable balcony that is ideal for enjoying the outside view.

The three bedrooms are tastefully decorated with the master bedroom being a complete en-suite. Including a modern guest bathroom, the property is fully furnished and decorated to a high specification. The further features include electric shutters, a central vacuum system, air conditioning, underfloor heating, double-glazed windows, and a surround system.
