

## **Danna Tauber, MD, MPH, a Pediatric Pulmonologist with CHOP Specialty Care Center, King of Prussia Campus**

Get to know Pediatric Pulmonologist Dr. Danna Tauber, who serves patients in King of Prussia, Pennsylvania.

**New York City, New York Aug 19, 2022 ([IssueWire.com](https://www.IssueWire.com))** - An excellent pediatric pulmonologist, Dr. Tauber is an attending physician in the Division of Pulmonary and Sleep Medicine at Children's Hospital of Philadelphia (CHOP), tending to patients at the Specialty Care Center, King of Prussia Campus. Her areas of clinical expertise include chronic lung disease, long-term ventilation management, and sleep disorders.

The CHOP Specialty Care Center, King of Prussia Campus includes 63 exam rooms, more than 40 medical and surgical subspecialties, and a wealth of specialty services including a sports medicine gym, a developmental PT/OT gym, Pediatric Imaging Center, Day Hospital for oncology patients, and Sleep Center.

Pertaining to her educational pursuits, Dr. Tauber earned her medical degree from the Tulane University School of Medicine and received her Master of Public Health degree from the Tulane University School of Public Health & Tropical Medicine. She completed her internship and residency in pediatrics at Montefiore Medical Center and attended the Children's Hospital of Philadelphia for her fellowship in pulmonary disease and sleep medicine.

Following her training, the doctor attained board certification in pediatrics, pediatric pulmonary disease, and sleep medicine through the American Board of Pediatrics (ABP). The ABP is an independent, nonprofit organization that was founded in 1933. It is one of the 24 certifying boards of the American Board of Medical Specialties.

Professionally, she is an active member of the American Academy of Sleep Medicine and the American Thoracic Society.

As for her academic appointments, Dr. Tauber serves as an Associate Professor of Clinical Pediatrics at the Perelman School of Medicine at the University of Pennsylvania.

Pulmonology is a medical specialty that deals with diseases involving the respiratory tract. Pediatric pulmonologists diagnose, treat, and manage children from birth to 21 years old with breathing and lung diseases.

Among her most notable achievements, Dr. Tauber has been the recipient of the Philadelphia Magazine's Top Doctors in Pediatric Pulmonology (2012, 2013, 2014, 2015, 2022), US News Top Doctor (2011-present), Margaret C. Fisher Award by St Christopher's Hospital for Children (2007), Castle Connolly America's Top Doctors Award (2016, 2017, 2018, 2019, 2020, 2021), and Exceptional Women In Medicine Award (2019, 2020, 2021).
