

Dotcoin is a new phase of crypto!

DotCoin is created by experienced engineers working with TheDotVerse, A leading Blockchain Development Company which aims to create a better digital system that enables trust, accountability & transparency in the business process.

West Sussex, United Kingdom Aug 4, 2022 ([Issuewire.com](https://www.issuewire.com)) - Cryptocurrency is a new normal

Over the past few years, blockchain and cryptocurrency have expanded their roots around the world. The investors are looking for some good options that will reflect a positive influence on their passive

income. Crypto opens a new world to maximise wealth.

DotCoin is a massive source of passive income!

On 28th, July 2022, **The DotVerse**, a unit of [Dotsquares](#) launched its own official cryptocurrency “DotCoin”. There are thousands of cryptocurrencies floating in the market, and only a few of them are based on real-life use and ROI. The DotCoin is one of them!

With the launch of DotCoin, the arena of cryptocurrency is expanded now. It is a native token for DotNFT Marketplace, Intelligent Trading Bot, Payment Processor, and TheDotExchange. It is a deflationary currency based on the RFI model & its tokenomics brings a good return to the holders. With a limited and fixed supply, it would be a once-in-a-lifetime opportunity. So, if you want to dive into the crypto world, then DotCoin is the right choice for you.

A closer look at the DotCoin

The total supply of [DotCoin](#) is 1,000,000,000 & its supply would be broken down into different frames. The initial liquidity will be 5% (50,000,000) of the supply. The further release of tokens will depend on the existing quantity and will be distributed in appropriate intervals. Also, there is an interesting fact associated with the DotCoin (<https://dotcoin.thedotverse.com/>). It will distribute 18% of the tokens as rewards, such as staking awards and reflection. Also, 6% will be held by the creators of this unique coin.

Want to be rich or just think to be rich – The decision is yours.

Although it’s a long-term game, it is actively being discussed and planned. DotCoin always welcomes new investors and this coin will be a great step for future advancement.
