

Japanese Game Company Aiming Inc expands its Taiwan Game Art division with a new office in Taichung Ci, Taiwan

Taipei Shih / Taipei Hsien, Taiwan Aug 9, 2022 ([Issuewire.com](https://www.issuewire.com)) - The market for mobile games has expanded consistently in recent years, and not only does the gameplay demand ongoing innovation, but game graphics are also getting more complex. In order to grow its art outsourcing business, Aiming Inc. Taiwan Branch has opened a new game art studio in Taichung.

Aiming & Artists is a game art studio established by the Taiwan branch of the Japanese gaming company, Aiming Inc. The studio creates amazing game art for customers in Japan and throughout the world. With the extensive experience brought about by cooperation with the head office, the team is a veteran at designing visual arts that are welcomed by local and international players in Japan. A&A not only creates 2D, 3D, action, and special effects game artwork but also uses its expertise to help clients in the early stages of their game development projects by offering UI/UX design.

To support the thriving game market, Aiming Inc. has opened a new branch office in Taichung, Taiwan, which was officially opened on August 5, 2022. With multiple job positions open, the company hopes to get the attention of local artists who can make amazing art for clients both local and international.
