

## **Jonathan Piposar, MD, an Orthopedic Surgeon with Orthopedic Partners**

Get to know Orthopedic Surgeon Dr. Jonathan Piposar, who serves patients in Niantic, Connecticut.

**New York City, New York Aug 29, 2022 ([IssueWire.com](http://IssueWire.com))** - Dr. Piposar is a board-certified orthopedic surgeon who is fellowship trained in arthroscopic surgery and the management of sports-related injuries. He works at Orthopedic Partners in Niantic, Connecticut.

Utilizing the latest techniques, Dr. Piposar focuses on the non-operative and minimally invasive treatment of common traumatic and overuse-type injuries. He specializes in complex injuries primarily of the shoulder and knees but also treats elbow, hand, hip, and ankle injuries. He is trained in the comprehensive non-surgical and surgical treatment of joint disorders, fracture care, overuse injuries, and osteoarthritis.

In regards to his educational background, Dr. Piposar graduated with his Bachelor of Science degree from the University of Notre Dame in 2006. He then went on to earn his medical degree from the Lewis Katz School of Medicine at Temple University in 2010.

Furthering his training, he completed a one-year general surgery preliminary residency at Temple University Hospital before completing his orthopedic residency training at Yale-New Haven Hospital. He then did a one-year sports medicine specialization fellowship at the New England Baptist Hospital in Boston, Massachusetts where he was the assistant team doctor for Tufts University and the Boston Celtics.

Excelling in his field, Dr. Piposar is board-certified in orthopedic surgery by the American Board of Orthopedic Surgery (ABOS). The ABOS is an organization with the goal of establishing educational and professional standards for orthopedic residents and surgeons as well as evaluating the qualifications and competence of orthopedic surgeons. It is a member of the American Board of Medical Specialties.

In affiliation with several organizations, he is an active member of the American Academy of Orthopedic Surgeons, the Arthroscopy Association of North America, the American Orthopedic Society for Sports Medicine, the Connecticut Orthopedic Society, and the Notre Dame Orthopaedic Society.

In addition to being on staff at Yale-New Haven's Lawrence + Memorial Hospital, Dr. Piposar has operating privileges at Lawrence + Memorial Hospital as well as the Constitution Surgery Center East outpatient surgical center.

Orthopedic surgery is the branch of surgery concerned with conditions involving the musculoskeletal system. Orthopedic surgeons use both surgical and non-surgical means to treat musculoskeletal trauma, sports injuries, degenerative diseases, infections, tumors, and congenital disorders.
