### **About Pageants Indie Royal Queen Pvt. Ltd.**

Pageants Indie Royal Queen Pvt. Ltd. was founded in 2018 and successfully organized their first beauty pageant event Indie Royal Queen held in the Indian capital New Delhi. Miss [Mrs India](#) Goa and Delhi were their next two mega events a year later. The successful journey continued including one in Dubai. Within the span of just a few years, they are now in the preparation process for organizing the mega Miss Mrs India Earth 2022 event.

### **What is Beauty Pageant**

A beauty pageant is a beauty competition or contest that focuses mainly on judging the physical attributes of the participants. Over the years the concept has evolved and includes a ranking of the inner beauty of the contestants. The criteria currently cover judging intelligence, personality, talent, charitable involvement as well as character. The judging and ranking are based on private interviews with the judging panel and answering the questions of the public while being on stage.

Hundreds of [beauty pageant events](#) are held across India annually. Some of the most prestigious ones include Miss India and Mrs India.
