

## Most demanding second home project in Karjat

**Karjat, Maharashtra Aug 24, 2022 ([Issuewire.com](http://Issuewire.com))** - A second home is a lucrative form of investment today as it provides security, steady income, and a provision to spend quality time with family. Post-Covid has spurred the demand for second homes. In the affluent as well as middle class, everyone is considering a second home as the best form of investment. Although the pandemic has affected the real estate market severely, owning a second home has many benefits. Generally, second homes do not burn your whole pocket. It could help you to contribute to the first home EMI or burn monthly rental. A second home is the ideal head start for your retirement and weekends. Choosing a perfect location with sheer facilities and good climatic conditions is very important. Karjat is becoming a new hub for the second home investment market because of its good connectivity to suburbs, upcoming infrastructural developments, and location beauty.

Pushpam Sanskruti is the most demanding second home project in Karjat and an endeavor of Pushpam Infra. Spread over an extravagant landscape of 22 acres, Sanskruti brings you the opportunity of calling a second home your holiday home. It is located in the arms of nature with beautiful green landscapes and a luxurious stay with a fine-dine experience. It is designed to give a quality life experience with the combination of the aesthetic beauty of Indian culture and lavish amenities. It has beautiful villas and studio apartments to plan the perfect holiday in Karjat as well as plan the real estate investment. Not its location and amenities but the unique investment deals have made it the most preferred investment avenue. People want a second home but not as a dead investment. Pushpam Sanskruti fits all your needs. People loved the idea of second homes which are popularly called 'Resort homes or KAMANEWALA GHAR. It is also located and built in a Green Zone Area so no further concrete jungles can surround you.

Dr. Sachin Chopda, director of Pushpam Infra quoted, “This is going to be the Game changer in the real estate market. When People buy second homes, they are concerned with hospitality and security as they are not always around. Also, problems with the farmhouse are that the construction can be costly, and maintenance and amenities would require additional cost. Kamanewala ghar fulfills your second home dream as well as gives you facilities to enjoy and earn.”

Pushpam Sanskruti is the best second home project in Karjat considering the dining, amenities, stay and all the possible facilities one looks at before investing. It is a completely vegan space with peaceful restaurant ambiances as well as indoor and outdoor activities. It is a dynamic space for destination weddings, corporate events, workcation, weekend getaways with closed ones, and a lot more! It is surely redefining your idea of second home investment and vacation. All these factors make it the most demanding second home project.
