New York City, New York Aug 19, 2022 ([IssueWire.com](https://www.IssueWire.com)) - A trusted chiropractor, Dr. Hanny is

affiliated with MyoCore, serving as the Clinic Director of the Chiropractic Clinic in North Richland Hills, Texas. He loves to connect with his patients more deeply than other healthcare professionals are often able to. His key mission is to provide the North Richland Hills community with effective, patient-centered care, focusing on the root cause of pain and dysfunction.

Seeing chiropractic care as a part of holistic health, he approaches his patients with a whole-body health perspective in mind, because he wants people to live their healthiest, most fulfilling lives in every way possible. He supports a high-energy, positive environment in his clinic, complete with conversation and laughter. His personal motto is “movement is life, let’s go dancing!” He is honored to contribute to his patient’s life stories and witness the freedom that comes from healing – in his opinion, it’s the best part of being a chiropractor.

A native of Gilbert, Arizona, Dr. Hanny obtained two Bachelor of Science degrees in Anatomy, as well as Health & Wellness, from Parker University, before earning her Doctor of Chiropractic degree at the same educational venue.

Chiropractic is a form of alternative medicine that mainly deals with the diagnosis and treatment of mechanical disorders of the musculoskeletal system, especially the spine. A chiropractor uses spinal adjustments, manipulation, and other techniques to manage patients’ health concerns, including neck pain, back pain, headaches, vertigo, and a long list of other ailments and conditions. They aim to improve patients’ functionality and quality of life by properly aligning the body’s musculoskeletal structure and enabling the body to heal itself naturally, without the use of medication or surgery.
