

OC Wellness Solutions releases an Extra Strength Oil

OC Wellness lead the way in Extra Strength Products

Los Angeles, California Aug 5, 2022 ([IssueWire.com](https://www.issuewire.com)) - OC Wellness Solutions adds an Extra Strength [20,000mg Oil](#) to their online store. Oils are an effective method of delivery as they have a high bioavailability.

This Extra Strength Oil can be taken sublingually or added to a beverage. It can even be applied [topically](#). This is an ideal choice to help with pain management. It can be used to help to maintain optimal health.

We all have an ECS system within our bodies which is responsible for regulating many of our essential functions. These include memory and learning, appetite, sleep, pain perception, and inflammation just to name a few. This product can help to fuel the ECS system thereby regulating many of these functions.

OC Wellness Solutions leads the industry in Extra products, available both topically and sublingually. To view their Extra Strength product line please [click here](#).
