

Recall of PROPIONE-T100 Produced during March 2022 till July 2022

Recall of PROPIONE-T100 Produced during March 2022 till July 2022 starting Batch No PT2203.

Binh Dinh, Vietnam Sep 7, 2022 ([IssueWire.com](https://www.issuewire.com)) - Recall of PROPIONE-T100 Produced during March 2022 till July 2022 starting Batch No PT2203

In our endeavour to provide the best possible products and services, 3rd Degree Pharma is recalling

PROPIONE-T100 produced between March 2022 and July 2022 due to API overage added more than 20%. This higher potency is causing pain and fever during and post-injection.

Dealers and Customers who have purchased PROPIONE-T100 of the above Batch Number and duration are requested to return the product through their respective channels.
