

Sanjay Digamber, MD, a Physiatrist with Upper Bucks Orthopedics at Grand View Health

Get to know Physiatrist Dr. Sanjay Digamber, who serves patients throughout the State of Pennsylvania.

New York City, New York Aug 23, 2022 (IssueWire.com) - An excellent physiatrist, Dr. Digamber is affiliated with Upper Bucks Orthopedics at Grand View Health, working with patients in the Sellersville, Harleysville, and Colmar areas. He specializes in musculoskeletal medicine and the treatment of spine disorders and performs interventional spine procedures including sacroiliac joint injections, epidural steroid injections, radiofrequency ablation, and transforaminal injections.

With a broad educational background, he earned his medical degree from St. George's University School of Medicine and completed his internship at UHS Wilson Hospital. He then went on to complete his residency in physical medicine and rehabilitation at the Rush University Medical Center, and his fellowship with Orthopedic and Spine Specialists.

Physical medicine and rehabilitation, also known as physiatry, is a branch of medicine that aims to enhance and restore functional ability and quality of life to those with physical impairments or disabilities. Physiatrists treat a wide variety of medical conditions affecting the brain, spinal cord, nerves, bones, joints, ligaments, muscles, and tendons.
