Olney, Maryland Aug 26, 2022 ([IssueWire.com](https://www.issuewire.com)) - Creating a cheerful ambiance with the music, the newly released track '[Silly](#)' by the talented rapper [JoCo](#) is a fine example of a feel-good and enjoyable rap song. It carries the true essence of the hip-hop and rap music genre with energizing vibes and quirky lyrics. The artist has given a prolific musical performance through the track that has the caliber of mounting the chartings and being the most-streamed and most listened to track in his catalog. The rapper's skills of creating upbeat music and mixing with it perfection speak volumes about his talent. It is impressive that as an independent artist he has managed to write, compose and produce the track on his own.

As it is mentioned earlier, the song carries a joyful vibe that uplifts the environment immediately. Just like its title suggests, ‘[Silly](#)’ is a fine example of the rapper’s ability to convey his message of not taking life seriously, otherwise it can be hectic, through lyrics. It shows that the rapper connects with the fans and listeners with his music. **JoCo** maintained the whole theme of rising above our differences and difficulties and finding joy in troublesome situations.

The lyrics are ideally complemented by the rapper’s vocals which showcase his ability as a singer and give powerful performances. The composition is also done with upbeat, catchy tunes with quirky background music that elevates the experience of the listeners.

There are other songs that he has given similar performances to, which are ‘What If’, ‘Dreamlapse’, ‘Work’, ‘Cold Off The Press’, etc. These tracks along with the latest release are available on the artist’s [Spotify](#) and [SoundCloud](#).
