

Vihaan Stone, India, records as Top Exporter of Natural Stones worldwide.

Vihaan Stone extended its market to Europe and North America six years back, sourcing all kinds of Natural Stones directly from Indian quarries at a high level, now becomes the leading exporter of Natural Stones worldwide.

Udaipur, Rajasthan Aug 24, 2022 (Issuewire.com) - This was different from the initial scenario as Vihaan Stone was supplying material in India only in one category i.e. White Marble. After 2 years of success with White Marble at the domestic level, they entered into exports with a vast number of

categories with many stone colors. Now the brand is among the leading exporters of Natural Stones worldwide. Creating productive strides in the market, the brand is carving a new road to success for the marble industry and meanwhile satiating the modern-day requirements of its customers aesthetically.

Vihaan Stone has been the leading [Marble Supplier and Exporter](#) for a very long time with the largest variety of Indian Marble. Vihaan Stone export Indian Marble in different colors, sizes, finishes, and quantities as per client requirements. Indian marble is quarried extensively in north India, is a cost-effective choice, and is available in a wide variety of colors and textures. Indian marble has a medium luster and is a relatively harder stone. In terms of sustainability, it is the best marble for flooring. Other options that can be considered alternatively are granite, sandstone, limestone, and semi-precious stones. These stones also have their unique properties which make them ideal for various commercial and household purposes.
