

Waxing and Threading Requirements all at Home by Ruhee

Dubai, United Arab Emirates Aug 5, 2022 (Issuewire.com) - Having gorgeous hair is something we all wish for at one point or another, but unfortunately, not everyone is gifted with beautiful locks from the outset. For those of you who tend to make visits to a salon on a regular basis - whether it is trimmed, straightening, or color jobs - then you may have had the unfortunate experience of dealing with uncommunicative hairdressers in the past! Luckily, there are options out there now which will allow you to take the at-home salon experience to the next level with our cutting-edge technology that caters to an array of hair types and styles. Available in Dubai (free delivery too!), Ruhee will set up your appointment by taking select photographs and sending them over Whatsapp - so book ahead and look your absolute best!
