

Wizardz V2 announces launch of the highly anticipated, \$WIZ cryptocurrency on the BSC network

Wizardz V2 makes an announcement about their successful launch and release information about upcoming utility

Miami, Florida Aug 13, 2022 ([IssueWire.com](https://www.issuewire.com)) - WIZARDZ V2 has recently announced the launch of \$WIZ as the first online Web3 MMORPG on the Binance blockchain. \$WIZ aims to revolutionize P2E (play to earn), MMORPG (massively multiplayer online role-playing games), and NFTS(nonfungible tokens) by offering true utility and income opportunities.

The Wizardz team has already announced their initial partnership with Shepherd Inu(\$SINU), with more

expected to be announced as the project grows. The team's official [swap](#) was active just hours after their launch on pancake swap.

With the highly anticipated *Enchanted Staking*, *Wizania Metaverse*, and *Wiz of Wand DEX* being developed, the core team explained, "As a way to show our immediate appreciation to the community, our upcoming enchanted staking platform with 730% APY staking pool will be deployed in the upcoming weeks as we build our longer-term items; DEX and Metaverse in the upcoming year. Thank you for your patience as I promise it will be rewarded."
