Los Angeles, California Sep 16, 2022 (IssueWire.com) - Akil Wade, American movie editor, musician, and business owner. Formally known for editing the Bollywood film "I'm sinner" and Co-Editing the Hollywood hit film "peppermint. Wade was born in Inkster Michigan Nov 16, 1995

His music is Inspired by eastern philosophy and Vedic literature, his work is deeply influenced by the quest for spiritual enlightenment. As an independent artist, Akil has released his single "Manifesting Mantra" - a song that seeks to help inspire minds and nurture souls along the spiritual path. In this blog post, we'll explore the song in detail and learn about Akil's journey with music and writing. We'll also take a look at his Black Kids Travel community - a travel platform designed specifically for black people worldwide. So if you're looking for inspiration and guidance on your spiritual journey, be sure to read on!

Manifesting Mantra - the song

It's time to let your inner power surge to the surface! Akil Wade's new single, "Manifesting Mantra," is a beautiful and empowering song that tells the story of overcoming obstacles, achieving your goals, and living a life full of happiness. Whether you're struggling with a specific challenge or just want to take a step in the right direction, this track will help you to manifest your Mantra. What is a Mantra? According to the song's lyrics, a mantra is a word or phrase that is repeated to focus the mind and achieve the desired goal.

So, whether you're looking to lose weight, start a new business, or find your passion, give "Manifesting Mantra" a listen and let it inspire you to achieve success!
