

Annie Casta, MD, FAAFP, a Family Physician with CIMA Medical Center

Get to know Family Physician Dr. Annie Casta, who serves patients in Miami, Florida.

New York City, New York Sep 20, 2022 ([IssueWire.com](https://www.issuewire.com)) - A knowledgeable family physician, Dr. Casta tends to patients at CIMA Medical Center in Miami, Florida.

The team of the experienced and highly professional medical staff at CIMA Medical Center is passionate about treating sports injuries and joint conditions as well as other types of primary care medical issues. They use the latest in medical technology and aim to achieve the highest possible quality of life for their patients.

In regards to her educational background, Dr. Casta earned her medical degree from the San Juan Bautista School of Medicine in 2011, and completed her residency in family medicine at the University of Miami Miller School of Medicine in 2014. Finally, she completed her fellowship in sports medicine at the Boston University Medical Center in 2015.

Recognized as a Fellow of the American Academy of Family Physicians (FAAFP), the doctor is board-certified in family medicine by the American Board of Family Medicine (ABFM). The ABFM is a non-profit, independent medical association of American physicians who practice family medicine and its sub-specialties.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.
