Tomah, Wisconsin Sep 3, 2022 ([IssueWire.com](https://www.issuewire.com)) - Adventures, life lessons, and lots of laughs are the things that Audrey Bergin wants her readers to experience in her book “Jack and Bruno’s Adventures.” With her love for reading and affection for dogs, Audrey Bergin has no shortage of experiences to draw from. This book will surely make children laugh. It is about two dogs, one posh and one very bold but funny. They have adventures every day with the naughty dog getting into all sorts of hilarious antics. The older one is embarrassed but soon starts to enjoy life more and the bold younger dog tries to behave better. Kids and adults alike will enjoy this laugh-out-loud book. A lot of the adventures in the book happened in real life

One of the funniest excerpts from the book reads:

“Please have a little bit of decorum around the girls and cover your tummy and private parts when you are asleep. It is a rather unpleasant sight!” said Jack.
Bruno laughed. “You worry too much, Jacko! I am a dog and I am chilled out here, man. The way I see it, if you got it, flaunt it!”

As a mother, she always reads stories to her children and encourages her children to love reading. When children tend to read funny books, she loves to hear them laugh out loud. Adults and children will enjoy the adventures these dogs get up to!
