

Earthdance Celebrates 25 Year with 11 Global Festivals

San Francisco, California Sep 22, 2022 (Issuewire.com) - Celebrating 25 years of creating conscious events across the globe, Earthdance celebrated with 11 Earthdance festivals held across the globe.

From its psy-rave roots, Earthdance has grown to become one of the largest globally synchronized music and dance events, having been held in hundreds of locations in 80 countries.

Music, dancing, speakers, art, and vendors are all part of the festivals. The highlight is a synchronized moment of intention—the “Prayer for Peace.” The Prayer for Peace is a moment of deep reflection and connection, and a powerful affirmation that unifies our intentions for peace, on all levels. Additionally, a portion of each event proceeds “give back” to a local charity of the organizer’s choice.

This year, the festivals were held in: Turtle Creek and Los Gatos (California); Brisbane and Perth (Australia); Auckland (New Zealand); Norton (Zimbabwe), Budapest (Hungary); Johannesburg, and Nelson Mandela Bay (South Africa); and Porto Alegre (Brazil). It was also streaming from Florida (Radio Cave Foundation).

Here are some highlights from this past weekend!

- In Brazil, there was an enormous bee statue, epic fire performers, and amazing live art including body painting.
- In South Africa, the set and art installations were truly epic, and one committed Earthdance tribe member even got an AMAZING glow-in-the-dark Earthdance manicure!
- In Hungary, Goapalo held it down and played an amazing set, and everyone had a lot of fun.
- Virtually, Radiocave’s Prayer for Peace event in partnership with Earthdance Florida raised a great chunk of money to benefit Ark Wildlife & Animal rescue.
