

## Ellenny Swim releases travel-inspired range for summer

**Perth, Western Australia Sep 18, 2022 ([IssueWire.com](https://www.issuewire.com))** - ELLENNY SWIM launches its new collection this summer which includes fresh new shapes, colours and prints inspired by nature's beauty, Art Deco glamour and the beautiful coastlines of Italy to Australia.

Founder and designer Megan Davis has travelled the world and lived in the US, Dubai, and Australia, which inspires her seasonal custom prints and designs.

This season, Ellenny Swim includes three fresh styles - the Dreamy Bikini top, an adjustable crop top with extra support, Boyleg brief with ruched detailing and Long Sleeve Rash Top featuring a high neck, long sleeves front zip. Two sumptuous new shades debut, Lagoon and Desert Sands, and two new prints have been released that are inspired by Art Deco design, animal print and lush jungle flora.

"This collection is born from my love of travel, nature and adventure," says Davis. "Rich colours and bold prints combine with our signature sporty and contemporary aesthetic for a collection that mixes and matches effortlessly for travel and the summer ahead."

### **New colours & prints**

*Deco Jungle:* Moody and mysterious, this lush tropical print riffs on Art Deco graphics in earthy green and golden colour palette.

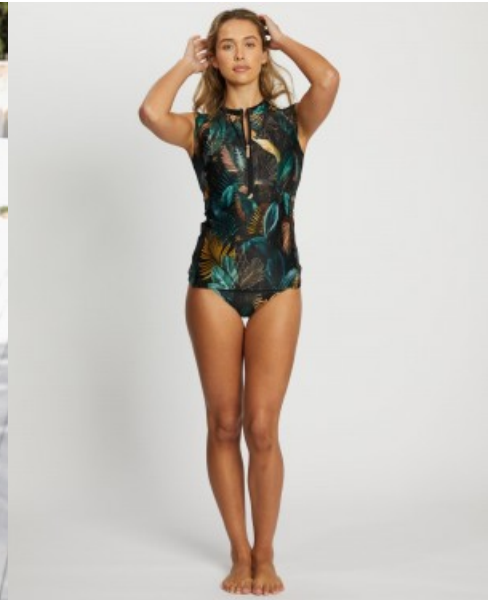

*Wild at Art:* Welcome to the jungle. The modern classic combination of ocelot and jungle foliage feels stylish, adventurous and just right for the summer ahead.

*Lagoon:* Glamorous, serene, and inspired by the turquoise waters of the Mediterranean.

*Desert Sands:* Intense, beautiful, and the perfect shade of warm natural brown.

### **About Ellenny Swim**

[Ellenny Swim](#) is sun-safe and sustainable and features simple, sporty silhouettes that offer body contouring, coverage, comfort and support for all body shapes. Crafted from premium stretch Italian swimsuit fabric, each style is high-performing, so women can wear it while relaxing on the beach, swimming in the ocean or doing laps in the pool. Each swimsuit is constructed with tummy control mesh. One-pieces and sun-safe swim tops include an inbuilt, non-removable shelf bra with soft cup padding suitable for sizes up to an F cup.
