

FIFA World Cup 2022: Dangbei comes on board as the as Serbia official sponsor

Dangbei, a famous Chinese company partners with FIFA World Cup Qatar 2022 as the Serbia's official sponsor

New York City, New York Sep 27, 2022 (Issuewire.com) - Dangbei has partnered with the 2022 Qatar World Cup to become the **official sponsor of the Serbian** team. As part of the partnership, Dangbei will provide Serbia with all the support and encouragement it needs.

It is worth noting that Vivo is a Serbia official sponsor of the 2022 World Cup at the same time as Dangbei.

Vivo is a global Internet smart terminal company dedicated to creating smartphone products with the ultimate photography, fast gaming, and Hi-Fi music for consumers.

Dangbei is currently one of China's leading value-added service providers for intelligent large screens. As a Top 3 enterprise in the intelligent projection industry, Dangbei always insists on quality development and stands at the height of high-quality and sustainable development of the industry, taking the initiative to respond and join hands to carry out actions to jointly lead the development of the intelligent projection industry.

And Dangbei market is one of the well-known smart big screen service providers in China. It has been deeply engaged in all major segments of the smart big screen field, and its business covers five significant sections: websites, software, advertising, hardware, and operating system.

As a well-known Chinese intelligent large screen service provider, Dangbei is a comprehensive platform-type enterprise with a software matrix, intelligent system, and hardware R&D, and currently has over

200 million users. It is widely reported that Dangbei entered the projector market in 2019. In less than 3 years, the Dangbei projector has firmly established its position as the 2nd Chinese projector.

In 2021, Dangbei shifts to the global markets. Its first product that is shown to international projector users is the most powerful flagship projector---[Dangbei Mars Pro](#). Dangbei presents the best products and the highest sincerity to overseas users.

Dangbei Mars Pro, the upgraded version of Dangbei X3, is specially designed for overseas users. Maintaining the incredible brightness of **3200 ANSI lumens**, it brings **4K resolution** and large memory of **4G RAM and 128G ROM**, ensuring the best viewing experience and most fluent operation. The new product adopts the new upgraded **ALPD fluorescent laser technology** with 3200 ANSI brightness and near theater-grade color, it will bring the home theater to a new era of the [laser projector](#).

FIFA World Cup is the most coveted and sacred glory in football for every country in the world and the ultimate dream of all football players from every country. It represents the supreme honor of the football world and the revelry of the fan world. As one of the top events in sports (the other being the Olympic Games), the FIFA World Cup is extremely far-reaching. Therefore, [Dangbei](#), as one of the value-added smart big screen service providers in China, is supporting Serbia to express its good wishes and expectations for the World Cup.

The tournament will be held in Qatar on **November 21, 2022**. Let's stay tuned[?]
