

Hassan Karimi revealed the meaning of her upcoming album 'Leocanth', which will be released in the fall of 2022.

Azarbayjan-e Khavari, Iran Sep 16, 2022 ([IssueWire.com](https://www.issuewire.com)) - Not all entrepreneurs are great musicians until you are Hasan Karimi. However, the musician who goes by the name Hasan Karimi is one of the youngest influential personalities who has swooned everyone with his musical skills. He is a musician, influencer, and entrepreneur and has brought the best out of himself. He recently announced his full new techno album 'Leocanth' which will be released by fall of 2022. Hasan says that the meaning behind the title 'Leocanth' indicates that it is his time to enter the stage now after helping others with producing music.

He had released the latest track 'GOLD' from his album which was a huge hit among everyone. Hasan is a native of Boukan, Iran. The multi-talented artist and businessman have over the years built powerful connections in the music industry. The young guy who was cavorting with Persian movie stars and footballers chose his own path and became a pro in the music world. After becoming a master in techno, he started producing electro music and immersed himself in the culture. It was in 2018 he produced tracks for the most renowned singers of Iran after which he produced tracks under his name as well.

Instagram

Hasankarimi's Instagram page which goes by the username '@Hasankarimiofficial' has seen immense growth. Celebrities like Aran Samadi and Hosein minapour follow the musician on Instagram and have appreciated his work in the past. With music, he even embraced his entrepreneurial journey at a very young age. Hasan invested in festivals and events which pushed him to host events including festivals in Ibiza and Tulum. Combining his musical skills to his business acumen, Hasan ran fast towards his dreams which the newcomers can only dream of.

Apart from this, the year 2022 is already going to be a big year in Hasan's career. He plans to perform at various festivals in Europe and the United States of America, leading up to the release of his debut full-length record. The musician hopes that the record drops soon as it will take his popularity to a new level. The musician cum entrepreneur who is not even 30 has accomplished the impossible and has done what many people cannot do in a lifetime.
