

## Head Coach Darren Jackson at Sterling College Supports Entrepreneur Student Athlete David Reynolds

**Long Island, New York Sep 17, 2022 ([IssueWire.com](https://www.IssueWire.com))** - In the photo, you can see Coach Darren Jackson (head football coach for Sterling College, KS) supporting student-athlete David Reynolds and wearing a "Beast Mode Activated" t-shirt.

David is the owner of POWER Brand LLC. David was only 17 years old when he created his own line of

energy drinks and brand called POWER. POWER which stands for Persistence-Optimism-Wisdom-Endurance-Respect. It's a way of life David says.

David is now in college while playing football on an academic and athletic scholarship for Sterline College, KS.

David received a tremendous amount of support while attending high school from his family, friends, brand ambassadors, and local businesses such as Gio's Pizza located in East Islip. Gio's Pizza is just one of many businesses that sell POWER Boost energy drinks.

David even hosted a pop-up shop with former NFL New Orleans Saints Hall of Famer Inductee Tyrone Hughes in 2021. This event was held to promote a specialty that can be designed for the East Islip High School football team (2021 Long Island Division 3 Champions).

With much star POWER David appears to be building quite a name for himself. While the brand itself is growing we can't wait to see what's next for David Reynolds. Everyone loves a great origin story.
