BETTER KNOWN AS JETSET

Irvine, California Sep 28, 2022 (Issuewire.com) - What separates average persuaders from extraordinarily successful ones?

How come some people struggle to plan a gathering without at least ONE of their own so-called "best friends" bailing at the last minute, while others without much effort have millions of people that would follow them off the edge of the earth?

The difference is a little-known [secret that politicians, celebrities & CEOs](#) have been using since the beginning of time, **known as [frame control](#)**. The art of *giving events meaning* is known as frame control. Almost all high-performance speakers use frame control to direct the flow and outcome of a conversation.

If you want to push yourself and realize your full potential, you've come to the right place. We've compiled a list of five books that will reframe your perspective on life, backed up by neuro-linguistic programming (NLP) techniques that will teach you how to influence others, close a deal, become a more confident version of yourself, and become aware of people attempting to manipulate you. There are numerous self-help books on these topics, but not all of them are created equal. These are our top recommendations.

Book #1 - [How to Win Friends & Influence People](#) by Dale Carnegie

If you need a place to begin your journey to success, look no further. *How to Win Friends & Influence People* is the original self-help classic that's on the bookshelf of every elite performer.

Written by one of the very first self-help gurus, Dale Carnegie, this book explores how to win people over, how to take control of situations, and ways to make people like you.

With more than 15 million copies sold since it was first published in 1998, this is a timeless bestseller that is even more relevant today than ever before.

Get your copy from Amazon today, and climb your personal ladder to success.

Book #2 - [JETSET LIFE HACKS: 33 Life Hacks Millionaires, Athletes, Celebrities, & Geniuses Have In Common](#) by [Josh King Madrid](#) (JetSet)

This isn't another 'positive thinking' book telling you that everything is OK, no matter the circumstances. That stuff doesn't work.

There is now irrefutable scientific evidence that shows that power is a result of Frame Control. This is a philosophy about particular ways of thinking and acting, which are consequences of one's particular level of consciousness.

This book has tactical life hacks that you can use to consistently create real, tangible, and positive

results, effortlessly overcome challenges, create generational wealth and improve your overall quality of life.

The [author](#) is Josh King Madrid, better known as [JetSet](#), who devoted five years to studying the frame control patterns that are possessed by millionaires, celebrities, athletes, and geniuses alike. Josh King Madrid (born Joshua Madrid), better known as JetSet, is an American internet celebrity, JETSET LIFE HACKS & The Art Of Frame Control author, Josh King Madrid On The Dropout Degree Show host, Millionaire Dropout artist, neuromarketing, NLP coach, public speaker, actor, serial entrepreneur and founder of NFT Magazine (NFTMagazine.com). Book #3 - Instant Confidence: The Power To Go After Anything You Want by Paul McKenna

This list wouldn't be right without including multi-best-selling author Paul McKenna Ph.D., who is known as one of Britain's most successful self-improvement authors, and the best NLP coaches and hypnotists in the world.

Instant Confidence is his groundbreaking new book, in which he reveals the secrets of mastering your emotions and living with a greater sense of ease and certainty than ever before.

In addition, the book comes with a free hypnosis audio download which uses the latest psychological techniques to reinforce positive optimism and program your mind for success.

Book #4 - Pre-Suasion: A Revolutionary Way to Influence and Persuade by Robert Cialdini Ph.D.

Pre-Suasion explores how to prepare people to be receptive to a message before they experience it. In other words, to change minds a pre-suader must also change the state of mind.

Dr. Robert Cialdini has spent his entire career researching the science of influence, earning him an international reputation as an expert in the fields of persuasion, compliance, and negotiation.

This particular method of 'pre-suasion' is a method also explored in Josh King Madrid's book, *The Art of the Frame Control*, where the communicator redirects the audience's focus of attention before a relevant action.

To discover how to master this power of influence, get your copy of *Pre-Suasion* on Amazon today.

Book #5 - Dark Psychology and Manipulation Discover 40 Covert Emotional Manipulation Techniques, Mind Control & Brainwashing. Learn How to Analyze People, NLP Secret & Science of Persuasion to Influence Anyone by William Cooper

All the books mentioned so far contain secrets and life hacks that can be used for good or bad. This book reveals the same secrets, but how they can be used to manipulate instead of influence.

We added this book to our list not so you can learn dark psychology and NLP to manipulate people, but so you can become aware of when people are using these tactics on you.

Author William Cooper is one of the leading experts in the science of persuasion, mental manipulation, and marketing applied to sales. He has written several books on dark psychology, unconventional emotional manipulation techniques, and how to analyse people.

Through this beginner's guide, Cooper will provide you with all the knowledge and strategies you need to learn to defend yourself against mental and emotional manipulation to avoid becoming prey to others.
