

## Judith E. Crowell, MD, FASDS, a Dermatologist in Private Practice

Get to know Dermatologist Dr. Judith E. Crowell, who serves patients throughout the State of Florida.

**New York City, New York Sep 28, 2022 ([Issuewire.com](http://Issuewire.com))** - A seasoned dermatologist, Dr. Crowell sees patients at her private practice in South Florida, with offices in Miami and Coral Gables. She is well known for her skill in using lasers and injectables to give her patients a refreshed, natural, younger-looking appearance.

In regards to her educational background, she completed her undergraduate studies at Boston University and went on to graduate as a member of the Alpha Omega Alpha Honor Society and was

awarded the highest honor attained by admission into the Iron Arrow Honor Society at the University of Miami School of Medicine. She did her internship at Stanford University Hospital and performed her residency in dermatology at the University of Pittsburgh School of Medicine.

Distinguished as a Fellow of the American Society of Dermatologic Surgery (FASDS), the doctor is a Diplomate of the American Board of Dermatology, which is a voluntary, non-profit, private, autonomous organization formed for the primary purpose of protecting the public interest by establishing and maintaining high standards of training, education, and qualifications of physicians rendering care in dermatology.

On a professional level, Dr. Crowell is an active member of the Miami Society for Dermatology and Dermatologic Surgery and served as president for 3 years. She has also been elected by her peers to the Board of the Florida Society of Dermatology and Dermatologic Surgery and is serving a three-year term.

With a passion for teaching, she is an Adjunct Professor at Barry University's Physician Assistant program and served 20 years as a volunteer Clinical Associate Professor at the University of Miami Department of Dermatology and Cutaneous Surgery.

Dermatology is the branch of medicine dealing with the skin. The skin is the largest organ of the body. Dermatology is a specialty with both medical and surgical aspects. A dermatologist is a specialist doctor who manages skin diseases and deals with both internal and external causes and some cosmetic concerns involving the skin. Dermatological duties include taking consultations, providing screening tests, and undertaking non-invasive surgical procedures.

An authority in her field, Dr. Crowell has been recognized as one of Miami's Top Dermatologists as well as a 2012 Castle Connolly Top Doctor.
