

Luxury Office Space Kolkata is Designed to Facilitate Productivity and Wellbeing

kolkata, West bengal Sep 19, 2022 (IssueWire.com) - The way people conduct business is changing and Emami Realty is one of the first to respond to the new paradigm with its [Emami Business Bay](#) development. Located in Sector 5 in Kolkata, the space accommodates hybrid work schedules, co-working environments, open and sustainable spaces, and a focus on wellbeing.

[Office space for sale in Kolkata](#) at Emami Business Bay provides modular spaces that can be customized to accommodate smaller or larger space requirements. The plush guest waiting area and double-height grand entrance exude luxury, success, and exclusivity.

Equally applicable for enterprises of all sizes, [office space for sale Kolkata](#) is designed with a sense of openness that promotes wellbeing and productivity. The smart offices are Vastu compliant and provide security. Connectivity is a necessity in today's fast-paced business environment and Wi-Fi is available throughout.

The 15-story structure provides all the urban amenities, five levels of parking, three podiums, two basements, fine dining restaurants, and retail space on the ground and upper floors that cater to occupants. Created with an open-air gym and jogging track, it includes an artfully designed café that promotes a feeling of being close to nature and features stunning views.

[Office space for sale in Sector 5 Kolkata](#) is strategically located in the business district and provides occupants with a prestigious address. Designed by world-renown Sanjay Puri Architects, it features glass lifts, a conference room, and all offices overlooking the atrium. Emami Business Bay is located near the airport and metro station, ICICI bank, the famous Science City, and a variety of attractions and amusements.

Emami Business Bay is built and designed for the way that individuals conduct business in the modern world and provides scalable solutions. The development provides solutions for the changing requirements of today's business owners with hybrid and co-working environments. Created with open and sustainable spaces, the project imparts the feeling of being close to nature which facilitates productivity.
