The advertisement banner features a purple and white color scheme. On the left, the Purplebox logo is at the top, followed by the text 'Purplebox Qatar Introduces Amazing Back to School Products for Kids'. Below this, a short paragraph describes Purplebox as Qatar's finest online shopping hub. A prominent 'Order Now' button is located at the bottom left. On the right, a laptop displays the Purplebox website interface, which includes a search bar, navigation menu, and a 'Welcome BACK TO SCHOOL' banner with a 'SHOP NOW' button and 'TODAY'S DEAL' section.

Doha, Qatar Sep 1, 2022 ([Issuewire.com](https://www.issuewire.com)) - As life is getting back to normal after the pandemic, schools are reopening, which is exciting for kids as well as parents. However, the need for precautions is still important to maintain safety. With all these things in mind, Purplebox Qatar has introduced a wide range of products in two categories Stay Safe in School and Welcome Back to School.

Parents can shop for different types of [hygiene supplies](#) for their kids including perfumed hand sanitizers, pocket hand sanitizers, kids' disposable face masks, and a lot more. Along with that, the welcome back to school category contains some amazing products that kids will love to carry to their school. Moreover, parents can get the kids excited about the school with these unique and interesting products.

Buying all these things online with the Purplebox will be a convenient and hassle-free experience. Also, shoppers can rest assured that they will get value for money as Purplebox safely delivers top-quality products at a reasonable price range.
