Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

As a testament to his success, Dr. Ubeda has been the recipient of the Patients' Choice Award (2014) and Compassionate Doctor Recognition (2016, 2014).

On a more personal note, he speaks both English and Spanish.
