Sunshine Disabilities and Home Care
REGISTERED NDIS PROVIDER

Not sure where to start? We're here to help.

Registered NDIS Service Provider
Sunshine Disabilities and Home Care Services is a registered NDIS provider devoted to simplifying service access. We offer in-home aid (daily activities, self-care), social and community support, day programs, support coordination, and Supported Independent Living to help individuals achieve independence.

Disability home care
Whether someone has a permanent or temporary physical impairment or a learning disability, our home care workers can help them live to the fullest in the comfort of their own home. When you choose us, we'll offer you with a kind and skilled disability caregiver who can help with whatever you require, including lifting and handling. Our team of caregivers can help you maximize your life.

A Registered Provider That Cares

We are specialists in providing care for those with mild and moderate disabilities, to those who have complex care needs and require our help.

Sunshine Disabilities and Home Care delivers supports to the participants of the National Disability Insurance Scheme in accordance with the plan in place. We can work with individuals to provide a range of support required to assist their daily life. As a registered NDIS provider, we understand that the needs of each individual participant are varied. If your loved one has a disability and you meet all the requirements for the NDIS plan, you can become a participant. This will enable you to go through the individualized planning process, which will help us to work with you and identify the support you need to live an independent life. You will be able to work very closely with our professional case managers to evaluate each plan regularly to ensure it remains within your aspirations for your future.

At Sunshine Disabilities and Home Care, we can offer you support services ranging from half an hour a day to wraparound care and support. Sunshine Disabilities and Home Care Services is proud to offer carers as an approved service provider for the NDIS, and we already have several NDIS clients who are being cared for by our experts.

To ensure that you get the best possible care at Sunshine Disabilities and Home Care, we employ an extensive recruitment programme and training programme that means that we only hire the best. Our carers are matched to your unique needs, allowing us to support you and your family in the best possible way. As local care providers, we aren't far away if you need more support or help than you are currently getting. All of the care that we provide is person-centred and is geared toward knowing precisely what you need and when. As NDIS care providers, our plans are carefully written to meet your needs.
