

TestFlix 2022: International Software Testing Conference To Be Held In October

Software testers community, The Test Tribe will be conducting a free global online software testing conference this October.

Navi Mumbai, Maharashtra Sep 26, 2022 (Issuewire.com) - TestFlix 2022 aims to create a truly global virtual stage where Software Testers from the maximum possible countries can share their knowledge through Atomic Talks. Atomic talks are meant to be small, yet Powerful and that's the whole idea.

The potential learning from 60+ such Atomic talks weaved together is massive. The Test Tribe has filled the Speaker list from 40+ Countries and provides their work to a global audience in the form of thousands of Testers. In contrast, the audience experiences a fantastic software testing binge-watch that goes on 2 days and covers several timezones.

Testflix 2022 will be conducted online free of cost on the 8th and 9th of October.
